

RAD

Recreation Adventures for people experiencing Disabilities

Support RAD Jeffco as we remove barriers for people using mobility devices. This program focuses on Usable Trail modifications, training staff and volunteers, and acquiring adaptive bikes and chairs for use by individuals who experience a disability.

Sponsor a Bike or Track Chair

Bikes \$17-\$20,000

These custom, Colorado-built bikes are expensive and feature electric motors with varying degrees of assistance.

[See them in action here.](#)

Track Chairs \$20-\$25,000

These all-terrain wheelchairs are custom-built for adventures with powerful motors and durable frames.
